

Good News to our Wellness Community Center Members

As you know, Governor DeWine has allowed Fitness Centers and Pools to reopen. We are so pleased to announce that the Wellness Community Center will be open on Tuesday, May 26th.

The WCC is following all mandatory guidelines from the Governor's office and the local Health Department. We have established a strict plan for how we will operate going forward.

New rules will be in place for your workout sessions and pool swim times, and many rules have been put in place "behind the scenes" for extra cleaning and sanitation of the facility, for your added safety.

Beginning Tuesday May 26th;

- **NEW HOURS; Monday – Saturday 6:00 AM – 7:00 PM | CLOSED SUNDAY**
- All members will be required to Check-In at arrival. A Sign-In Chart will be at the entry doors to the Fitness Center and Pool area. Members must conduct self-assessment and not enter the facility if you are experiencing symptoms or have been exposed to COVID-19. Bring your own pen for signature on the Sign-In form.
- Facemasks are not required while working out. We ask that you wear a facemask while arriving and walking throughout the facility.
- There will be a limited capacity of 10 guests in the Fitness Center and 7 guests in the Pool with 6' feet distance required between members at all times. If the fitness room or pool are filled to capacity when you arrive, you must leave and come back at another time when there are less members using the fitness center or pool. Or wait in your car before reentering.
- Equipment will be spaced out for 6' distancing or marked for No Use. No moving of the equipment is permitted.
- Please use supplied sanitation wipes and wipe down equipment BEFORE and AFTER each use. Wipe down all handles, seats, weight pegs and remotes.
- Lockers in the locker rooms will be limited. Some lockers will be marked for non-use to enforce the 6' distancing requirements.
- Showers will be accessible in the locker rooms. Clean and Dirty Signs will be placed at each shower. Turn card to dirty after use to notify housekeeping. You may arrive with bathing suit on, with a cover up. Enjoy your swim, then towel off and cover up as you leave. No shower required.
- PRIVATE Swim Hour for our BCV Residents Only 1:00 – 2:00 Daily.
- You are responsible to bring your own towel. No WCC towels will be supplied.
- Please bring your own sanitized mats for Yoga Class. No mats will be supplied.
- Fitness Classes will be limited for attendance. Maximum 6 guests for Classes; Yoga, Zumba and Water Aerobics. First come first service registration at door, Or pre-register with the Instructor. Do not arrive any earlier than 10 minutes prior to each class.
- Wash or sanitize your hands upon entry to the facility.
- The WCC will be sanitizing the Fitness Center and Pool every TWO Hours. Please allow the housekeeping staff to do their job to help keep our facility clean.
